

Bring the family & join in the fun at our Science fair

whilst you're not having fun swimming, horse riding, golfing or simply enjoying yourselves in the many exciting activities Crieff Hydro has to offer!

Friday 2nd March

Finals of the ASE schools competition supported by Techfest - SetPoint come and see the winning entries and take part in the awards ceremony.

Saturday 3rd March

Hydro Hysteria! Free hands-on activities for all of the family

- Interactive hands on playthings
- experiments to have fun and get messy with
 - a cosmic show
- rockets to design, make and test
- the launch of educational films on exoplanets
 - an evening of stargazing
- Public talks, films, discussions and practical demonstrations
- Learn about Accelerated Global Warming and Climate Change; Regenerative Medicine
 - and Use of Stem Cells; latest research programmes

– and much much more from the experts at Glasgow Science Centre, Sensation, Satrosphere and Our Dynamic Earth; Universities; TechFest-SetPoint; The Royal Observatory, Edinburgh; Institute of Physics; Royal Society of Chemistry; Society of Biology; The British Science Association; Historic Scotland.

ASE has negotiated special rates for partners and families sharing a room with delegates, presenters and exhibitors! See form overleaf

The under 13 package includes high tea, overnight stay, breakfast, packed lunch and up to 6 hours of childcare.

The under18 package includes dinner, overnight stay, breakfast, entertainment programme and use of the Lagoon leisure facilities.

Partners will have dinner, overnight stay, breakfast and use of the leisure facilities.

Families booked in for Saturday and Sunday nights will have to check out as usual on the morning of departure, but may use the hotel facilities up to 17:00 on the day of departure.

Please consult the Crieff Hydro Hotel website for further information on the facilities available at the Hotel.
